EXPRESSION OF APPRECIATION FOR YOUR SUPPORT

Your kind support for our Student, Cooper Barnes, was greatly appreciated. Since Cooper's diagnosis in May 2009, we have been overwhelmed by the generosity of the Sunbury Community. Individuals, independent groups and community organisations have all played their part in assisting Cooper and his family.

These days, with the current economic environment, and so many calls for financial and material support for so many charities, individuals and groups, it is incredible that people, such as yourself, can still 'dig deep' and provide much needed help.

Our school is extremely proud of the group of parents, 'Mums on a Mission', who organised the sensational fund raiser for Cooper at the Sunbury Bowling Club. However, without your support this event would not have been possible and their efforts would have been in vain.

While 'thank you' does not adequately convey our appreciation and gratitude, knowing that you have helped make the life of one very sick boy and his family, a little easier and happier is thanks of a higher magnitude.

Yours sincerely

Cathie Morcom

Assistant Principal
