Dear Lisa and Steven,

r.e: DONATION TO HOLY CROSS PRIMARY SCHOOL
PARENTS AND FRIENDS ASSOCIATION – 2009

On behalf of all children, parents, friends and staff at Holy Cross Primary school, I'd like to take this opportunity to thank **JOEYS R JUMPING** for their generous support this year. Your donation assisted with our yearly fund-raising activity, which in turn assisted our school with the following on-going projects:

- Supplementing our learning and teaching resources
- Fitness facilities (exercise track, fitness stations, cricket nets)
- Electronic whiteboards

Your generosity was publicized in our weekly school newsletter, in which we encourage all to support the local businesses that support our school.

We realize that the current economic situation places additional strain on everyone's ability to support local groups, such as Holy Cross, and we are grateful that this has not affected your generosity.

Yours sincerely,

Paul Reilly
President
